Hi Ed _

This is what the City accepted in 2018 (there have been no changes) and after doing some cross checking against the spreadsheet that was submitted and many phone calls, all of these numbers on this sheet are correct and have already been accepted by the City in 2018.

This is the sheet that I will send in, as it is a request/deadline only for BIDS but, it should be the Database you work from going forward.

Please just give me an OK so I know we are both starting from the same information?
